THE OPPORTUNITY

Why this is the *right time* to enter luxury décor.

India's $33B home décor market is racing toward $41B. The shift from utility to curated living has created a generation of buyers who treat their home as an extension of identity.

Premium consumers, designer-led second homes, and globally exposed taste are reshaping what retail must offer.

Luxury décor is no longer optional — it's identity.

WHY US

Built for those who refuse the *ordinary.*

Globally Curated Pieces
Sourced from ateliers across Italy, Portugal, Indonesia and Japan.

Gallery-Style Retail
Stores designed as walk-through galleries, not transactional showrooms.

Design-First Philosophy
Every vignette led by an in-house design team — never ordinary.

10,000+ Trusted Customers
A loyal community of design-led homeowners across India.

THE EXPERIENCE

More than retail. *A walk-through gallery.*

Each Curiocasa store is designed to be experienced, not browsed. Visitors arrive as shoppers and leave as collectors.

Immersive layout	Architecturally choreographed routes through curated zones.
Curated vignettes	Living-room, dining and bedroom moments — fully styled.
Discovery-led shopping	Pieces revealed in context, not stacked on shelves.
High dwell time	Avg. 42 minutes per visit — 4× industry standard.
